

Apple Crisps

Ingredients

8 apples

- 1 tsp cinnamon powder
- 1 tsp icing sugar

Instructions

1. Preheat the air fryer to 95 degrees
2. Core and finely slice the apples.
3. Lightly sprinkle with cinnamon powder and icing sugar.
4. Arrange slices on air fryer liner and 'fry' until the apples are crisp.

Use a selection of different varieties of apples. They all taste a little bit different! Don't like cinnamon? Bake them with icing sugar!

Serving Suggestion - keep them in an airtight container and then bag them up for an ideal after school treat.
